COVID Addendum: By participating in our program on the Tumblebus, you are aware that you agree to fully accept all known and unknown risks, including the potential risk of exposure to respiratory illnesses such as the coronavirus (COVID-19). The coronavirus is primarily transmitted via exhaled respiratory droplets, most often through coughing and sneezing. These droplets can travel up to six feet and are more commonly transmitted between persons rather than from equipment to persons. Although we regularly sanitize our equipment and presently are using enhanced cleaning methods and enforcing social distancing to the best of our ability with young children, you understand that you or your child may be exposed to the coronavirus or its symptoms through no fault of our own. Known coronavirus symptoms include fever, coughing, shortness of breath, pneumonia, kidney failure, and may include other symptoms, stroke or even death (collectively "Symptoms").

You understand and agree that you will hold us harmless and you will not hold us liable for any real or perceived Symptoms of COVID-19 or any other disease, illness, or condition, nor for exacerbating any existing symptoms, and you fully agree to accept all risks of participating in our program.
